Maroon Mentors - Mentor Job Description

The Maroon Mentors connect incoming first years with peer upperclassmen mentors. Through weekly, informal check-ins, sponsored programs, campus events, and outings, our mentors share their stories and help their mentees navigate the college environment and connect with various campus resources.

Time Commitment: 15-20 hours per quarter

Compensation:
By participating in the Maroon Mentors program, students will have the opportunity to guide first year students in their transition to college and establish meaningful relationships with their “mentor families”. Through this experience, students will gain leadership, interpersonal, and communication skills by interacting closely with mentees and getting one-on-one support from CCSS staff members. In addition to these skills, mentors will be compensated with a stipend of $150 per quarter, as well as a quarterly allocation to use for mentee meetings. Free food will also be provided at trainings and mentoring events.

Expectations:
- Maintain and document regular contact with 2-3 mentees through informal check in meetings throughout the quarter; be available as an ongoing resource for mentees
- Serve on one Maroon Mentors committee (i.e. Professional Development, Community Building, Academic Inquiry)
- Arrange one outing per quarter with your mentor family
- Share your story and experiences with your mentees; ask about theirs
- Assist mentees in identifying academic and extracurricular interests
- Provide appropriate referral to campus resources, activities, and student organizations
- Minimally meet once per quarter with supervisor in person and communicate as needed throughout quarter regarding needs for support
- Attend all mandatory meetings and events, approximately 4 per quarter, unless there is an academic conflict

Qualifications:
- Rising 2nd, 3rd, or 4th year
- Strong interpersonal and communication skills
- Positive mindset
- Appreciation for, and sensitivity to, cultural diversity
- Good academic standing
- Must be taking classes on Hyde Park campus for the duration of the program and 2019-2020 academic year
